The Colours of Corian® for Kitchen Worktops

DuPont™ Corian®, the original solid surface material made only by DuPont, provides the freedom to create inspired interior designs. For kitchens, worktops made with Corian® flow effortlessly into Corian® sinks to eliminate joints where dirt and germs can hide.

A selection of integrated sinks are available to coordinate with your worktop. To complete your Corian® worktop, add custom accents such as inlays, edge treatments and backsplashes.

With its unlimited design flexibility, inspired colours, durability, stain-resistance & renewability, Corian® brings beauty, practicality and imagination into your home.
