The installations, products and designs made with/in DuPont™ Corian® which are shown in the images included in this brochure are either products/creations of DuPont or are products/creations of other companies, architects, designers, individuals or organizations. All these products/creations are shown with the goal of communicating to the readers of this brochure the design and fabrication versatility and the wide application possibilities of DuPont™ Corian®.

DuPont is not accepting any responsibility concerning the commercial availability, the properties and the performance of products/creations done by other companies, architects, designers, individuals or organizations.

Individuals or organizations interested in knowing more about the products/creations of DuPont should contact DuPont; individuals or organizations interested in knowing more about the products/creations of other companies, architects, designers, individuals or organizations should contact these other parties (see list of photo-credits above).

All the products/creations of other companies architects, designers, individuals or organizations which are shown in this brochure are intellectual property of the respective owners. Nothing in this brochure can be considered a direct or indirect invitation or suggestion to violate the intellectual property, the copyright or the patents owned by other companies, architects, designers, individuals or organizations.

DuPont™ Corian® is backed by a 10 year limited product warranty. The product warranty refers exclusively to the DuPont offering of sheets, which have been fabricated and/or have been installed respecting the DuPont guidelines, standard sinks and bowls as listed in the official DuPont pricelist, and which are maintained according to the instructions included in the "DuPont™ Corian®: Use & Care" document. This leaflet includes also images of applications of DuPont™ Corian® done by other companies; such images are used in this leaflet to represent the wide design and application potential of DuPont™ Corian® itself. The usage of such images cannot be intended as a implicit or explicit suggestion that all the creations and installations shown in the images are covered by the DuPont 10 year limited product warranty.

Inspire yourself with top designs

Most of the designs in this brochure are unique projects. They show the unlimited possibilities of Corian® in the kitchen, the bathroom or anywhere at home.

Please contact your local Corian® dealer and discover all together how Corian® can change your way of living dramatically.

Corian® gives creativity a boost | Unconventional but at the same time functional, the AER line of office furniture offers soft lines and sinuous elegance. | *Upper*

Functionality is key | Kitchens made with Corian® are hygienic, durable and functional, inspiring confidence and reliability. | *Christer Westh*

self-expression starts at home

Nothing is more personal than your own home. Above all, you want your home to be welcoming, but you also want it to say something about you and your sense of style.

DuPont™ Corian® is your ideal partner to achieve this. It has developed a solid following over 40 years and a distinct personality. With its advanced blend of natural minerals, pigments and polymer it is durable and extremely versatile, making it an ideal surface to live with.

Corian® brings dreams into reality | This modular collection of bathroom furniture not only adapts to any environment but its eye-catching design makes a statement in style. | *Novello Max*

What is Corian®

Corian® makes you rethink furniture |
Thanks to the durability of Corian®, this range of furniture designed for outdoor use, will stay looking fabulous enough for indoor use too! | *Escho Rose*

Form follows function | The flexibility and strength of DuPont™ Corian® enables designers to create very practical furniture that is also pleasing to the eye. The sensuous lines of this unit are reminiscent of waves upon the sea. | *Novello Max*

Corian® for haute cuisine

A kitchen is just an empty box until you add your imagination. That's surprisingly easy with Corian®. Mould it, sculpt it, run it up a wall or down the side of a cabinet. Let your creativity run free with an expansive range of colours.

A creative splash with Corian®

A wide range of DuPont™ Corian® basins available in all colours can be combined with Corian® sheets to create the bathroom of your dreams. Not only is the result beautiful but it is also very practical. The bowls are integrated into the sheets to create a single, seamless hygienic surface. Your bathroom looks and feels luxurious and is easy to keep clean.

Furniture adores Corian®

Designers around the world are using Corian®: they mould, shape, sculpt, cut, join or sandblast it to create inspiring and comfortable furniture pieces. The organic feeling of Corian®, coupled with a seamless look, fluid lines and a broad range of colour possibilities, creates a platform for boundless creativity.

Low-maintenance living | The warm-to-the touch feeling of this material immediately inspires a sense of confidence and reliability, and makes it ideal for all those realms where food is king. | *DuPont™ Corian® Silt*

Corian® for Haute Cuisine

Wash away worry | Corian® lends itself to endless bespoke designs, including sink and drainer combinations that flow with carefree, easy-clean elegance. | *Lars Ernst Hole*

Good morning | A kitchen design called Pamela makes a simple yet dramatic solution of Corian® in Bisque to form a one-piece worktop and raised breakfast bar. | *Cucine Lube*

6

DuPont™ Corian® warm-to-the-touch feeling immediately inspires confidence and reliability. And rightly so. The hygienic, durable and functional properties of this beautiful and versatile material make it ideal for preparing delicious meals in your kitchen.

Manipulating colour, texture and shape is central to creating an appealing sensory ensemble, both on the plate and around it. Non-porous, non-toxic, resistant and repairable: what else is needed to create a modern, elegant and practical food area?

We've got it covered | The quality of Corian® opens doors to all kinds of applications, from worktops, to fascias to drawers and cabinets. | *Robert Timmons*

7

All the right lines | This o12 kitchen, designed entirely in Corian®, is a celebration of linear purity and chic contemporary living. | *MK Cucine*

DuPont™ Corian® gives you the freedom to design a kitchen that's uniquely yours. You can mix Corian® with virtually any other material. And with so many colours, textures, shapes to choose from, it's fun to explore the possibilities.

Open-ended design | This contemporary composition in Corian® Glacier White offers an extra dimension to delineate and define the kitchen area. | *Bontempi*

A sink of substance | This customised integrated sink, in Corian® Glacier White, exudes edgy simplicity. | *Doimo*

Bring your sink in-line | Can you see where the sink starts and the worktop finishes? This sleek merging from one to the other has benefits beyond beauty, it means seam-free easy-cleaning too. | *Magnet Kitchen*

DuPont™ Corian® is inherently “renewable” because it is solid and homogeneous all the way through. Most damage, including that caused by severe impacts, heat or chemicals, can usually be repaired on-site to restore the integrity of the original, smooth, hygienic surface.

Dishy drainage | A routed drainage area as part of your Corian® benchtop and sink combination offers both distinctive design possibilities and practical minimalism. | *Leicht Küchen*

Hot without the bother | Stainless steel heat rods can be fully integrated into your Corian® worktop. This clever design feature works like a heat mat without the clutter, as well as giving your kitchen that “unique” look. Heat rods can also be removed for easy cleaning. | *Private kitchen in Paris*

Your favourite place to cook | This smart, compact kitchen makes the most of the chic aesthetics, versatility and high-performance properties of Corian®. Here, Cameo White creates streamlined, durable worktops with integrated sinks, matched by a SeaGrass splashback, all in Corian®. | *Magnet Kitchen*

The dark warmth of Corian® | A selection of integrated sinks are available to coordinate with your worktop. To complete your Corian® worktop, add custom accents such as inlays, edge treatments and upstands. | *DuPont™ Corian® Canyon*

The finishing touch | As food is transformed in the hands of a true culinary artist, so raw materials such as Corian® can take exceptional form through the vision of architects and designers. | *DuPont™ Corian® Glacierwhite*

DuPont™ Corian® is a team player | The elegant Tamos kitchen with top in Corian® Glacier White and sink in a medley of DuPont™ Corian® and stainless steel shows how well the material partners with others. | *Leicht Kuchen*

Refreshingly fuss-free | The pristine white and clean crisp lines of this "Block" basin unit are restful to the soul. | *Planit*

A creative splash with Corian®

Great ideas for small details | The "Island vanity", designed by Simone Micheli for Planit, exploits the wonderful malleability of Corian® to bring ambitious shape and compact practicality into rare balance. | *Planit*

Let your bathroom be a reflection of you. With DuPont™ Corian®, you can create a sanctuary of wellness that echoes your personality. Surround yourself with colours and textures you love to wake up to.

Mould Corian® into soothing shapes. Mix it with tiles, metal, wood, stone or glass. Have it fitted on your walls, horizontal surfaces, moulded into bath surrounds.

Because Corian® is so easy to live with, your bathroom will reflect both your sensuality and your good sense.

Bright & colourful | Corian® is available in a wide range of colours and finishes which can be adapted to suit your mood and personality. This Cinquantaz bathroom features a floral design on the splashback applied using sublimation technology. | *Arlex*

Majestic impact | This double washbasin is simplicity personified: its lines remain pure throughout and even the drainage is hidden away. | *Inbani Siluet*

Make the most of your retreat from the day. Use Corian® to create an oasis of calm that lifts your spirits and comforts your soul. DuPont™ Corian® is as welcoming to the touch as it is easy on the eye. You'll find your bathroom becomes a star attraction.

Make yourself comfortable | High-quality luxury materials are of the essence here. Enjoy bathtime fuss-free! | *Arlex*

Seamless beauty | Axia furnishings in Corian® Glacier White fit seamlessly into your bathroom with their fluid, rounded lines and corners. | *Axia*

Whether you prefer the tranquility of fresh whites, or to express yourself with splashes of vibrant colour, with DuPont™ Corian® you can give free rein to your design dreams. Luxuriate in smooth, clean lines or softly undulating curves, add pattern and panache or keep it pure and simple ... it's your sanctuary so make it work for you. The world and its troubles can wait outside.

A splash of colour to start the day | These cheerful rounded basins demonstrate that when Corian® meets creativity, it can set the mood for the rest of the day. | *OML Degree*

Merry go round | These bold basins, available in a variety of delicious colours, combine Corian® and glass for a stunning and uplifting effect. | *OML outline*

A touch of drama | Lift your spirits with this hot pink basin, which is part of a modular, architecturally shaped collection of bathroom furniture by Sergio Rochas. | *Inbani Strato*

Think inside the box | The AXIA AX056 collection in Corian® Glacier White features geometric shapes that bring order to both room and mind. | *AXIA AX05*

Multi-talented, long-lasting and a pleasure to live with, DuPont™ Corian® performs in so many ways – and on any surface. Unlimited design potential means the big picture is entirely up to you. Go ahead, splash out!

Love your bathroom | Enhance your oasis with a message from the heart, engraved into your Corian® shower tray. | *Novello Love*

Compact but comfortable | The Tempo bathing enclosure, with its Corian® basin, tray and multifunctional Corian® column, features technology for colour therapy, steam, whirlpool jets and even a connection for your digital music player. | *Hafro 20 Tempo*

Bright comfort | Paola.a is an innovative and graceful outdoor seating solution. The bench and integrated lamp shade are both made of Corian® and make the most of the material's malleability and translucency. | *Chorus Design Group*

Furniture adores Corian®

A warm, inspiring, functional and comfortable living environment gives daily life that exclusive touch of 'home'. DuPont™ Corian® helps you to achieve exactly the look and feel you want, be it classic or contemporary. You name it, Corian® can give it form.

Neverending flexibility | Luca Nichetto created this bookshelf with a ribbon of Corian®, epitomizing the flexibility of this beautiful material. | *Luca Nichetto*

Turn your table into art | Take inspiration from your favourite artist! This Linee Pure table, for example, is inspired by the work of Emilio Tadini. It shows clearly the possibility of using seamless joints in a contrasting colour. | *MYRich Design*

Generative beauty in 3 dimensions | The first materialization of the "3D" collection is the "Math" series, including extremely elegant, surprising and creative three-dimensional patterns inspired by the theories of famous mathematicians and from mathematical functions. | *Corian® 3D Collection*

Folded light | Medusa, or the jellyfish, inspired these lamps made of Corian®. With swooping curves and beautiful sandblasted patterns on the interior, the organic feel of these lamps is striking. | *Design by Claudia Carrasco.*

The heat is on | Whether it's below zero temperatures or just a chilly morning, with the astonishing versatility of Corian®, Runtal Radiators combine the comfort of radiant warmth with the drama of fine design. The Runtal Splash was awarded with the prestigious REDDOT design award. | *Runtal Splash*

A new angle on aesthetics | Thanks to the formability of Corian®, those with a passion for the fast lane can bring aerodynamic style into their homes with this streamlined unit. | *Meeting Erwin*

More than a table | The Luna console, with its robust wipe-clean top in Corian® Cameo White, is customized with its own serving bowl. Throw away the table cloth. You will want to keep this timeless piece forever. | *Cecotti Collezioni*

You can mould DuPont™ Corian®. Shape it. Sculpt it. Cut or seam it to any size. Rout it. Carve it. Sandblast it. You can even backlight it for dramatic effect. This gives designers freedom that's virtually limitless.

Corian® by candlelight | Make your candlelit dinners special with this intricate chandelier inspired by the Brazilian flora. | *Wagner Archella*

The choice is sometimes black & white | The Corian® palette offers 100 creative colours, but sometimes all you need to make a statement is striking monochrome. This table in Glacier White and Nocturne is inspired by Kufic script. | *Har Design*

Depend on us to make your life easier.

DuPont™ Corian® is an advanced blend of natural materials and acrylic polymer. By nature, that makes Corian® easy to clean, easy to care for and easy to live with.

Of course, Corian® isn't self-cleaning. Few things are. But only minimal care is required to maintain its good looks. And if accidents happen, it's a comfort to know that Corian® is non-porous, stain-resistant, durable and renewable.

For detailed instructions, please ask your Corian® specialist for guidelines on using and caring for your Corian®.

Quality Network and Warranty

Corian® is backed by a 10-Year Limited Product Warranty from DuPont when fabrication and installation are performed by a member of the Corian® Quality Network of fabricators. For further information on the warranty, please contact the local representative of Corian®.

Our team of authorised fabricators and installers are trained in the latest techniques for working with Corian®. And they're committed to deliver the highest levels of quality and customer service at the lowest possible installed cost.

Take a seat | Driven by functionality, the "Verve" chair is shaped to give maximum ergonomic support, providing a smooth transition between the user and the object. This chair illustrates clearly the unique design versatility, the formability and the visual lightness of DuPont™ Corian®. | *John Sebastian "Verve"*

Edge treatments

Give your Corian® a distinct edge. These are just a few of the edge treatments available for your application. Or create your own! Feel free to inlay contrasting colours of Corian® or even other materials.

Other edges profiles such as Deep edges are available upon request.

Upstand

Enjoy a splash of colour. A matching upstand is the perfect way to dress up a Corian® top. Square upstands provide a simple, crisp look. Coved upstands create a sleek, seamless look that's a breeze to keep clean.
