Tranquility

premium bathroom **vanities**

Imagine and Innovate your bathroom spaces with hygienic, easy to maintain and contemporary vanities from DuPont™ Corian®. Each vanity is non-porous and flawless which makes it virtually impervious to stains, scratches, mould, mildew and bacteria. Built exclusively in Corian® which makes it both waterproof and robust, these vanities provide an ideal solution in wash areas. With color co-ordinated mirror frames, integrated counter tops, basin and backsplash, these vanities offer complete solution for your vanity.

Welcoming to touch, and satisfying to eye. *Tranquility*, premium wall-mount lavatories create inspiring grooming space for you to be at your absolute best. Each vanity is offered is available with a customized mirror and in array of exclusive colours. Luxuriate in smooth, clean lines or softly undulating subtle curves, choose a personal design to mirror your ego.

Corian is an advanced blend of natural minerals and acrylic polymer. The colour palatte includes now over 100 solutions, able to meet any need in terms of aesthetics and style. Formability, expansive colour range, warm touch, monolithic designs and sooting contemporary shapes make corian vanities an object of desire.
